May 15, 2006

1. Charles Clow and I have been completed compiling a list of past AFTE officers and committee members. The information has been forwarded to Scott Doyle who will place the information into a searchable data that will be posted on the AFTE website. .
2. Jim Hamby had contacted me to let me know that he will be sending me various AFTE documents (such as records/notes from the 25th and 36th Annual Training seminar, the original copy of the AFTE training manual, etc.).
3. Gerald Petillo, Connecticut DPS Lab will be joining Evan Thompson as the AFTE photographer.
4. I have taken an inventory of the items in the AFTE Historical Committee. All of these items are located at the Virginia Department of Forensic Science – Eastern Laboratory located in Norfolk.
